

eQHealth Solutions Implements InterQual® 2010 Criteria

As part of the utilization review process, Healthcare and Family services requires eQHealth Solutions to utilize the most current version of InterQual criteria to determine the medical necessity, reasonableness and appropriateness of inpatient care.

Effective September 23, 2010, eQHealth will apply the 2010 McKesson's InterQual criteria sets for all medical/surgical, detoxification and behavioral health services subject to review.

Screening criteria is licensed by McKesson HealthSolutions. For more information, visit www.mckesson.com under their Providers tab.

It is eQHealth Solutions' goal to ensure accurate and timely communications with health care providers. If you have additional questions, please contact our provider helpline at (800) 418-4045, Monday through Friday, 8 am to 5 pm, CST.
